Nuevo Cuscatlan, December 9, 1981

To the relatives of Sullivan:

Investigations conducted with many precautions have revealed that the journalist Sullivan was found dead on the road leading to Nuevo Cuscatlan in about March of this year and that he was buried in Nuevo Cuscatlan. The witnesses were several residents of the town, including the mayor and justice of the peace at the time. Because they are afraid they will not tell the truth but they can indicate where they [sic] are buried. If the body can still be identified it would be well to do so.
